You will find the Marquette campus near the intersection of interstate expressways I-94, I-794, and I-43. The campus is located along Wisconsin Avenue between 10th and 19th Streets. Parking is regulated and limited, especially overnight. You may park in the Marquette parking structure on 16th Street for a small fee (\$10/day). See our **campus map** for further directions or visit our **parking website**. Conference participants staying in the dorms can proceed directly to Straz Tower, where parking will be available for \$6/day.

### **Via Public Transportation**

#### **From Mitchell International Airport (Milwaukee)**

If you fly directly to Milwaukee, you will arrive at Mitchell International Airport, located several miles south of the Marquette University campus. Two options for reaching campus are:

- **GoRiteway** is a shuttle service that leaves the airport regularly. Transportation can be arranged at the GoRiteway desk near the baggage claim area or by calling (414) 769-2444. It costs about \$15 for the trip to Marquette. You should tip the driver \$1-2 per suitcase.
- Taxis are located outside the arrival area. The trip to campus costs approximately \$25-30. A customary tip for taxi service is 15%. Milwaukee is also an Uber and Lyft city.

#### **From O'Hare International Airport (Chicago)**

**Coach USA** provides safe, clean transportation to Milwaukee from the Chicago O'Hare Airport. The cost is \$30 one way. Coach USA leaves from the Bus Shuttle Center, Door 4 and also leaves from outside Door 5E of terminal five. Tickets can be purchased at the Bus Shuttle Center or on-board the bus. Coach USA buses arrive in downtown Milwaukee at the Milwaukee Intermodal train station. You will then need to take a regular taxi service to the Marquette campus at a cost of about \$8 (though the distance is also quite walkable). A customary tip for taxi service is 15%.

### **By Intercity Train or Bus**

The **AMTRAK** train, **Greyhound Bus**, **Badger Bus**, **Coach USA** and **Mega Bus** arrive in downtown Milwaukee several blocks from the Marquette campus. There is regular taxi service from these stations to the Marquette campus at a cost of about \$8. A customary taxi tip is about 15%.
